You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned all of your income on that reservation.

To find out more, see Arizona Department of Revenue Income Tax Ruling *ITR 96-4*.

If You Included Your Child's Unearned Income on Your Federal Return, Does Your Child Have to File an Arizona Return?

In this case, the child should not file an Arizona return. The parent must include that same income in his or her Arizona taxable income.

Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, you should get Arizona Department of Revenue Income Tax Procedure *ITP 92-1*.

Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone. A resident is subject to tax on all income no matter where the resident earns the income.

If you are a full year resident, you must file Form 140, Form 140A, or Form 140EZ.

Part-Year Residents

If you are a part-year resident, you must file Form 140PY, *Part-Year Resident Personal Income Tax Return*.

You are a part-year resident if you did either of the following during 1999.

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

Nonresidents

If you are a nonresident, you must file Form 140NR, *Nonresident Personal Income Tax Return*.

What if a Taxpayer Died?

If a taxpayer died before filing a return for 1999, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. **If the department mailed the taxpayer a booklet, do not use the label.** The person who files the return should print the word "deceased" after the decedent's name in the address section of the form. Also enter the date of death after the decedent's name.

If your spouse died in 1999 and you did not remarry in 1999, or if your spouse died in 2000 before filing a return for 1999, you may file a joint return. If your spouse died in 1999, the joint return should show your spouse's 1999 income before death, and your income for all of 1999. If your spouse died in 2000, before filing the 1999 return, the joint return should show all of your income and all of your spouse's income for 1999. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

Are Any Other Returns Required?

You may also have to file fiduciary income tax or estate tax returns. For details about filing a fiduciary income tax return, call the department at (602) 255-3381. For details about filing an estate tax return, call the department at (602) 542-4643.

Claiming a Refund For a Deceased Taxpayer

If you are claiming a refund, you **must** complete Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Attach this form to the **front** of the return.

What Are the Filing Dates And Penalties?

When Should You File?

April 15, 2000 falls on a Saturday. Therefore, your 1999 calendar year tax return is due no later than midnight, April 17, 2000. File your return as soon as you can after January 1, but no later than April 17, 2000.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What If You Cannot File On Time?

You may request an extension if you know you will not be able to file on time.

NOTE: An extension does not extend the time to pay your income tax. For details, see the instructions for Arizona Form 204.

To get a filing extension, you can either:

1. Apply for a state extension (Form 204). To apply for a state extension, file Arizona Form 204 by April 17. See Form 204 for details. You must attach a copy of the

Arizona extension to the front of your return when you file. If you must make a payment, use Arizona Form 204.

2. You may use your federal extension (federal Form 4868 or 2688). File your Arizona return by the same due date. If you are filing under a federal extension, you do not have to attach a copy of your federal extension to your return, but make sure that you check either box D or F on page 1 of the return.

When Should You File if You Are a Nonresident Alien?

You must file your Arizona tax return by April 17, even though your federal income tax return is due on June 15. If you want to file your Arizona return when you file your federal return, you may ask for an extension. See Form 204 for extension filing details.

What if You File or Pay Late?

If you file or pay late, the department can charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 1999 calendar year return by April 17, 2000, your return will not be late. You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

Late Filing Penalty

If you file late, the department can charge you a late filing penalty. This penalty is 5 percent of the tax found to be remaining due for each month or fraction of a month the return is late. This penalty cannot exceed 25 percent of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, the department can charge you a late payment penalty. This penalty is 10 percent of the tax not paid on time.

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90 percent of the tax shown on your return by the return's original due date. If you do not pay this amount, the department can charge you a penalty. The department can also charge you this penalty if you do not attach a copy of the Arizona extension to your return when you file. This penalty is one-half of one percent (.005) of the tax not paid for each 30 day period or fraction of a 30 day period. The department charges this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25 percent of the unpaid tax.

NOTE: If you are subject to two or more of the above penalties, the total cannot exceed 25 percent.

Interest

The department charges interest on any tax not paid by the due date. The department will charge you interest even if you have an extension. If you have an extension, the department will charge you interest from the original due

date until the date you pay the tax. The Arizona rate of interest is the same as the federal rate.

When Should You Amend a Return?

If you need to make changes to your return once you have filed, you should file Form 140X, *Individual Amended Return*. **Do not** file a new return for the year you are correcting. Generally, you have four years to amend a return to claim a refund.

If the Internal Revenue Service makes a change to your federal taxable income for any year, you must file a Form 140X for that year. In this case, you must amend your Arizona return within 90 days of the change. Attach a complete copy of the federal notice to your Form 140X.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year. You must file the Form 140X within 90 days of amending your federal return.

Do You Need to Make Estimated Payments in 2000?

You must make Arizona estimated income tax payments during 2000 if either of the following apply.

1. You reasonably expect your Arizona gross income will exceed \$75,000 in 2000.
2. Your Arizona gross income in 1999 was greater than \$75,000.

As a nonresident, your Arizona gross income is that part of your federal adjusted gross income derived from Arizona sources.

Make sure you use ordinary business care and prudence when you project your income for 2000.

NOTE: *Arizona's community property laws may have an effect on whether you have to make estimated payments. For details, see Arizona Department of Revenue Income Tax Ruling ITR 92-1.*

What if You Make Your Estimated Payments Late?

The department will charge you a penalty if you fail to make any required payments. The department will charge you a penalty if you make any of your required payments late. The department will also charge you interest on any late or underpaid estimated tax payment.

For details, see Arizona Form 221.

Can You Make Estimated Payments if You Do Not Have to?

If you do not have to make Arizona estimated income tax payments, you may still choose to make them.

For details, see Arizona Forms 140ES and 221.

- When asked to provide your own schedule, attach a separate sheet with your name and SSN at the top. Attach your own schedules to the back of your return.
- You must complete your federal return before you can start your Arizona return.

Entering Your Name, Address, and Social Security Number (SSN)

Lines 1, 2, and 3 -

NOTE: *Your social security number is no longer on the label, so make sure that you write in your social security number on the appropriate line.*

If your booklet has a peel-off label, use that label if all the information is correct. **If any of the information on the label is incorrect, do not use the label.** Attach the label after you finish your return. If you do not have a peel-off label, print or type your name, address, and SSN in the space provided. If you are a nonresident of the United States or a resident alien who does not have an SSN use the identification number (ITIN) the IRS issued to you.

If you are filing a joint return, enter your SSNs in the same order as your names. *If your name appears first on the return, make sure your SSN is the first number listed.*

NOTE: *If you and your spouse have different last names, do not use the label. Write your last names on the lines provided. The department will now issue refunds under both last names listed on the return.*

For a deceased taxpayer, see page 2 of these instructions.

Use your current home address. The department will send your refund or correspond with you at that address.

NOTE: *Make sure your SSN is correct. If you are filing a joint return, also make sure you list your SSNs in the same order every year.*

Make sure that every return, statement, or document that you file with the department has your SSN. Make sure that all SSNs are clear and correct. You may be subject to a penalty if you fail to include your SSN. It may take longer to process your return if SSNs are missing, incorrect, or unclear.

Identification Numbers for Paid Preparers

If you pay someone else to prepare your return, that person must also include an identification number where requested.

A paid preparer may use any of the following.

- his or her SSN
- his or her PTIN
- the federal employer identification number for the business

A paid preparer who fails to include the proper numbers may also be subject to a penalty.

For details, see Arizona Department of Revenue Income Tax Ruling *ITR 93-20*.

FEDERAL Column

Enter the actual amounts shown on your 1999 federal income tax return in the FEDERAL column. Complete lines B4 through B14. Line B14 should equal the federal adjusted gross income shown on your 1999 federal return Form 1040, Form 1040A, or Form 1040EZ.

NOTE: *If you are filing a joint return with your full year resident spouse, you must enter your Arizona source income in the ARIZONA column and your spouse must enter all income from all sources in the ARIZONA column. For details, see Arizona Department of Revenue Income Tax Ruling ITR 95-2.*

The Tax Reform Act of 1986 limits the amount of losses that you may deduct from passive activities. A passive activity is one that involves the conduct of any trade or business in which the taxpayer does not materially participate.

As a nonresident, your Arizona gross income may include some of these losses. You may consider only those passive losses that arose from Arizona sources. Your 1999 Arizona gross income can include only Arizona source losses you used on your 1999 federal return.

The following line-by-line instructions apply to the ARIZONA column.

Line B4 - Wages, Salaries, Tips, etc.

Enter all amounts received for services performed in Arizona.

NOTE: *Do not include active military pay.*

Line B5 - Interest

If you have an Arizona business, enter only interest (including U.S. Government interest) you earned on accounts pledged as collateral. Also enter your distributive share of interest from a partnership doing business in Arizona or an S corporation doing business in Arizona. Do not include any other interest income even if it was earned in Arizona banks.

Line B6 - Dividends

Line B11 - Other Income Reported on Your Federal Return

Enter other income from sources within Arizona. Do not include pension income or social security taxed by the federal government.

Net Operating Losses

Arizona does not have specific net operating loss provisions for individual taxpayers. Arizona conforms to the federal net operating loss provisions, including the carryback provisions.

As an Arizona nonresident, you may have had a loss from prior year Arizona business operations. However, the loss cannot offset this year's income unless the loss is a net operating loss for federal purposes. You can include the loss deduction in your Arizona gross income only to the extent included in your federal adjusted gross income. You cannot include any amount of that net operating loss that has already been deducted for Arizona purposes.

Enter the amount of net operating loss deduction included in your federal adjusted gross income that was derived from Arizona sources. Do not include any amount of the loss that has already been deducted for Arizona purposes. Also, do not include any loss for which you took a separate subtraction on an amended return filed for a prior tax year under the special net operating loss transition rule.

For information on deducting a net operating loss carryback, see Arizona Department of Revenue Income Tax Procedure *ITP 99-1*.

Line B12 - Total Income

Add lines B4 through B11 and enter the total.

Line B13 - Other Federal Adjustments

Include on line B13 any other federal adjustments included in your federal adjusted gross income that are attributable to the Arizona source income reported on your 1999 Arizona nonresident return.

Line B15 - Arizona Income

Complete line B15 as instructed on the form.

Line B16 - Arizona Percentage

Divide line B15 by line B14 and enter the result. **(Do not enter more than 100 percent.)** This is the Arizona percentage of your total income.

Example:		
Arizona Gross Income from line B15	Federal Adjusted Gross Income from line B14	Arizona percentage
\$ 7,500	\$ 30,000	\$7,500/30,000= 25%

Determining Additions to Income**Line C17 - Early Withdrawal of Arizona, County, City, or School Retirement System Contributions**

If you meet all the following, you must enter an amount here.

1. You left your job with the State of Arizona or an Arizona county, city, or school district for reasons other than retirement.
2. When you left, you took out the contributions you had made to the retirement system while employed.
3. You deducted these contributions on your Arizona income tax returns that you filed in prior years.
4. You did not include these contributions in your federal adjusted gross income this year.

If you meet all these tests, you must report as income those contributions previously deducted on your prior year Arizona tax returns.

For more information, see Arizona Department of Revenue Income Tax Ruling *ITR 93-7*.

Line C18 - Other Additions to Income

Use line C18 if any of the special circumstances below applies. Attach your own schedule to the back of your return, explaining any amounts entered on line C18.

A. Trust and Estate Deductions

You must add the following estate or trust deductions to your Arizona gross income.

1. Your share of the estate's or trust's deductions allowed under the Internal Revenue Code.
2. Your share of the excess deductions and loss carryovers allowed under the Internal Revenue Code as deductions to the beneficiary on termination of an estate or trust.

You must add the above deductions and loss carryovers to Arizona gross income only to the extent you included these items in computing your Arizona taxable income.

B. Agricultural Water Conservation Expenses

If you take this credit, you cannot deduct any expenses for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

C. Items Previously Deducted for Arizona Purposes

Arizona statutes prohibit a taxpayer from deducting items more than once. However, under the operation of former Arizona law (1989 and prior), you could deduct certain items

in greater amounts for Arizona purposes than federal purposes. Investment interest and passive activity losses were such items. In some cases, you could have deducted such amounts in their entirety on the Arizona return. For federal purposes, the deduction for these items was limited, with the unused portions being carried forward and deducted in future years. Your Arizona return may include these previously deducted items because of the difference between the federal and former Arizona treatment. If your Arizona taxable income includes items previously deducted for Arizona purposes, you must add such amounts to your Arizona gross income.

D. Claim of Right Adjustment for Amounts Repaid in 1999

You must make an entry here if all of the following apply.

1. During 1999, you were required to repay amounts held under a claim of right.
2. The amount required to be repaid was subject to Arizona income tax in the year included in income.
3. The amount required to be repaid during 1999 was more than \$3,000.
4. You took a deduction for the amount repaid on your 1999 federal income tax return.
5. The deduction taken on your federal income tax return is reflected in your Arizona taxable income.

If the above apply, enter the amount deducted on your federal income tax return which is reflected in your Arizona taxable income.

For more information on the Arizona claim of right provisions, see Arizona Department of Revenue Individual Income Tax Procedure *ITP 95-1*.

E. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if all of the following apply.

1. During a year prior to 1999 you were required to repay income held under a claim of right.
2. You computed your tax for that prior year under Arizona's claim of right provisions.
3. A net operating loss or capital loss was established due to the repayment made in the prior year.
4. You are entitled to take that net operating loss or capital loss carryover into account when computing your 1999 Arizona taxable income.
5. The amount of the loss carryover included in your Arizona gross income is more than the amount allowed to be taken into account for Arizona purposes.

Enter the amount by which the loss carryover included in your Arizona gross income is more than the amount allowed for the taxable year under Arizona law.

F. Addition to S Corporation Income Due to Credits Claimed

Shareholders of an S corporation who claim a credit passed through from an S corporation must make an addition to income for the amount of expenses disallowed by reason of claiming the credit.

An S corporation that passes the following credits through to its shareholders must notify each shareholder of his or her pro rata share of the adjustment. You must enter an amount on this line when claiming any of the following credits.

- Agricultural water conservation credit
- Defense contracting credit
- Environmental technology facility credit
- Pollution control credit
- Recycling equipment credit
- Credit for solar hot water heater plumbing stub outs and electric vehicle recharge outlets
- Credit for employment of TANF recipients
- Credit for agricultural pollution control equipment

G. Solar Hot Water Heater Plumbing Stub Out And Electric Vehicle Recharge Outlet Expenses

If you take a credit for installing solar hot water heater plumbing stub outs or electric vehicle recharge outlets in a dwelling you constructed, you cannot deduct any expenses for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

H. Wage Expense for Employers of TANF Recipients

If you take a credit for employing TANF recipients, you cannot deduct any wage expense for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

I. Medical Savings Account (MSA) Distributions

For information on Arizona's MSA provisions, see the department's MSA brochure, Pub 542.

You must add amounts received from an MSA here if any of the following apply.

1 - You Withdrew Funds From Your MSA For Other Than Qualified Expenses

You must make an entry here if all of the following apply.

1. You have an MSA that qualifies as an MSA under Arizona law.
2. If you are an employee, your high deductible health coverage is provided by your Arizona employer. If you are self employed, your high deductible health coverage is provided by your Arizona business.
3. You withdrew money from your MSA during 1999.

5. You did not have to include the withdrawal as income on your federal income tax return.

Enter the amount withdrawn.

2 - Deceased Account Holder Where The Named Beneficiary is Not the Decedent's Surviving Spouse

You must make an entry here if all of the following apply:

1. The account holder died during the year.
2. The account holder's MSA qualified as an MSA under Arizona law.
3. If the account holder was an employee, the account holder's high deductible health coverage was provided by his or her Arizona employer. If the account holder was self employed, the account holder's high deductible health coverage was provided by his or her Arizona business.
4. You are the named beneficiary of the decedent's MSA.
5. You are not the decedent's surviving spouse.
6. You did not have to include the value of the MSA as income on your federal income tax return.

In this case, the MSA ceased to be an MSA. Enter the fair market value of the MSA as of the date of death, less the amount of MSA funds used within one year of the date of death, to pay the decedent's qualified medical expenses. If the MSA has not paid all of the decedent's medical expenses by the time you file this return, reduce the fair market value by only those expenses the MSA paid. If the MSA pays additional expenses for the decedent after you file, you may file an amended return to further reduce the fair market value of the MSA.

3 - Decedent's Final Return and no Named MSA Beneficiary

Make an entry here if all of the following apply:

1. The account holder died during the year.
2. The account holder's MSA qualified as an MSA under Arizona law.

- The fair market value of an MSA received by a surviving spouse who was the deceased account holder's named beneficiary

For more information about the above items, see the department's MSA brochure, Pub 542.

- You claimed the recycling equipment credit.
- You claimed the credit for agricultural pollution control equipment.

You may only subtract those items for which statutory authority exists. Without such authority you cannot take a subtraction. If you have any questions concerning subtractions from income call one of the numbers listed on the back cover.

Line D24 - Prorated Exemptions

Multiply the amount on line D23 by your Arizona percentage from line B16 and enter the result.

NOTE Active Duty Military Personnel Only: *If you were on active duty in Arizona during 1999, but you were a resident of another state, you must prorate these exemptions.*

Line D25 - Interest on U.S. Obligations

Enter the amount of interest income from U.S. Government obligations included as income on line B5 in the ARIZONA column. U.S. Government obligations include obligations such as savings bonds and treasury bills. You must reduce this subtraction by any interest or other related expenses incurred to purchase or carry the obligation. Reduce the subtraction only by the amount of such expenses included in your Arizona gross income.

Line D26 - Arizona Lottery Winnings

You may subtract all winnings received in 1999 related to an Arizona lottery prize won before March 22, 1983. You may subtract up to \$5,000 of winnings received in 1999 for Arizona lottery prizes won after March 21, 1983. Only subtract those Arizona lottery winnings that you included on line B11 in the ARIZONA column and reported on your federal income tax return.

If you subtract Arizona lottery winnings here, you may have to adjust the amount of gambling losses claimed as an itemized deduction.

Line D27 - Alternative Fuel Vehicles and Refueling Equipment

Starting with the 1999 taxable year, the alternative fuel subtraction is repealed. Therefore, you may not take a subtraction for alternative fuel vehicles purchased or converted during 1999. You may not take a subtraction for refueling equipment purchased during 1999. However, if you were entitled to a subtraction for refueling equipment or vehicles purchased or converted during 1997 or 1998, you may still take one-third of the subtraction from those years which is allocable to 1999.

To figure your subtraction complete Part I of Form 313. Enter the amount from Form 313, Part I, line 5, here.

Line D28 - Agricultural Crops Given to Arizona Charitable Organizations

Arizona law allows a subtraction for qualified crop gifts made during 1999 to one or more charitable organizations. To take this subtraction, you must be engaged in the business of farming or processing agricultural crops. The crop must be grown in Arizona. You must make your gift to a charitable organization located in Arizona that is exempt from Arizona tax.

The subtraction is the greater of 80 percent of the wholesale market price or 80 percent of the most recent sale price for the contributed crop.

To determine if your crop gift qualifies for this subtraction, see Arizona Department of Revenue Income Tax Procedure ITP 93-2.

Line D29 - Other Subtractions

Use line D29 if any of the following special circumstances apply. Attach your own schedule to the back of the return, explaining any amounts entered here.

A. Certain Wages of American Indians

Enrolled members of American Indian tribes may subtract wages earned while living and working on their tribe's reservation. You can subtract only those amounts that you included on line B4, ARIZONA column. The federal government must recognize these tribes.

For more information, see Arizona Department of Revenue Income Tax Ruling ITR 96-4.

B. Adoption Expenses

You may take this subtraction only in the year the final adoption order is granted.

Enter the lesser of the total of the following adoption expenses or \$3,000.

When figuring your subtraction, you may include expenses incurred in prior years.

The following expenses are qualified adoption expenses.

1. Nonreimbursed medical and hospital costs.
2. Adoption counseling.
3. Legal and agency fees.
4. Other nonrecurring costs of adoption.

If filing separately, you may take the entire subtraction, or you may divide the subtraction with your spouse. However, the total subtraction taken by both you and your spouse cannot exceed \$3,000.

C. Qualified Wood Stove, Wood Fireplace, or Gas Fired Fireplace

NOTE: *Arizona law no longer provides a subtraction for purchasing a qualified wood stove, qualified wood fireplace, or gas fired fireplace.*

Arizona law still provides a subtraction for **converting** an existing fireplace to a qualified wood stove, qualified wood

fireplace, or gas fired fireplace and non-optional equipment directly related to its operation. You may subtract up to \$500 of the costs incurred for converting an existing fireplace to a qualified wood stove, qualified wood fireplace, or gas fired fireplace on your property located in Arizona. When you figure your subtraction, do not include taxes, interest, or other finance charges.

A qualified wood stove or a qualified wood fireplace is a residential wood heater that was manufactured on or after July 1, 1990, or sold at retail on or after July 1, 1992. The residential wood heater must also meet the U.S. Environmental Protection Agency's July 1990 particulate emissions standards.

A qualified gas fired fireplace is any device that burns natural or liquefied petroleum gas as its fuel through a burner system that is permanently installed in the fireplace. The conversion of an existing wood burning fireplace to noncombustible gas logs that are permanently installed in the fireplace also qualifies as a gas fired fireplace.

You can subtract these deposits only to the extent included in your Arizona gross income. Enter these contributions here.

- the Indian employment credit

If you received any of the above federal tax credits for 1999, enter the portion of wages or salaries attributable to Arizona source income that you paid or incurred during the taxable year that is equal to the amount of those federal tax credits you received.

Totaling Your Income

Line 14 - Federal Adjusted Gross Income

You must complete your federal return before completing your Arizona return. You must complete a 1999 federal return to determine your federal adjusted gross income even if not filing a federal return.

Arizona uses federal adjusted gross income as a starting point to determine Arizona taxable income. Enter your federal adjusted gross income from page 2, line B14.

Line 15 - Arizona Income

Enter your Arizona income from page 2, line B15, of your return.

Line 16 - Additions to Income

Enter the amount from page 2, line C19, of your return.

Line 18 - Subtractions From Income

Enter the amount from page 2, line D30, of your return.

Line 19 - Elective Subtraction of Federal Retirement Contributions

This line applies only to individuals who were civilian employees of the United States Government during 1999. The Arizona Board of Tax Appeals has ruled that no refunds of Arizona income taxes paid on contributions to federal retirement plans are due for any years after 1990. The taxpayers have appealed that determination to the Arizona Tax Court, so the issue is not yet final.

Line 19 is provided to alert you to a remedy available to you under Arizona law. On your 1999 return, you have two options if you had contributions made for income earned in Arizona.

Option #1

You may subtract the amount of contributions to your retirement plan that was withheld from your wages paid by the federal government. Enter on line 19 the amount of such contributions **included in your 1999 Arizona income**. If you choose this option and the courts ultimately decide that it is legal for the State of Arizona to tax your retirement contributions, you will owe additional tax and accrued interest. (Also, see *Protective Claim for Refund* below.)

Option #2

You may choose to ignore line 19. You may instead file the protective claim form. This form is in this instruction booklet. Under this option you will pay tax on your contributions to the federal retirement plan. You will also protect your rights to a credit or refund of this tax if the courts ultimately decide that is appropriate. The state will pay interest in this event.

Protective Claim for Refund

You can find this form in this instruction booklet. You can find this form at the bottom of the page titled *Notice to Current and Former Federal Civilian Employees*. If you were a civilian employee of the United States government at

any time during the years 1995 through 1999, you should complete this claim form. Submitting this claim form will protect your rights to tax relief for the years you were so employed. If you choose **option #2** for 1999, you should also include 1999 in your claim. Claims for 1995 must be postmarked by April 17, 2000, to be valid. If you previously filed a protective claim for 1995 through 1998, only include 1999 on the claim form filed for 1999.

Please do not include the protective claim with your 1999 income tax return. Mail the claim form separately to the address indicated to ensure proper handling.

The itemized deductions allowed for Arizona purposes are those itemized deductions that are allowable under the Internal Revenue Code. As an Arizona nonresident, you must prorate these deductions by the percentage which your Arizona gross income is of your federal adjusted gross income.

To determine your Arizona itemized deductions, complete a federal Form 1040, Schedule A. Then complete the Arizona Form 140NR, Schedule A. If you telefile your federal Form 1040, you do not need to complete a federal Form 1040, Schedule A. Instead, use your telefile worksheet for 1040 filers. Then complete the Arizona Form 140NR, Schedule A. If you itemize deductions, check box 21I.

NOTE: *If you itemize, you must attach a copy of your federal Schedule A and your Arizona Schedule A(NR) to your Arizona return. If you telefile your federal Form 1040, you must attach a copy of your telefile worksheet for 1040 filers.*

However, you will be charged interest and may be charged a late payment penalty on the tax not paid by April 17, 2000, even if your request to pay in installments is granted. To limit the interest and penalty charges, pay as much of the tax as possible when you file.

To ask for an installment agreement, use Form 140IA. You may download this form from the department's Web site at www.revenue.state.az.us, or you may get this form by calling (602) 542-4260, or you may call our nationwide, toll-free number at (800) 352-4090.

income. The department cannot send a refund check without proper signatures on the return.

Filing Your Return

To mail your return, use the envelope that came in your booklet.

If you are expecting a refund, or owe no tax, or owe tax but are not sending a payment, use the yellow address label attached to the envelope. If the envelope or label is missing, send the return to: Arizona Department of Revenue, PO Box 52138, Phoenix AZ 85072-2138.

If you are sending a payment with this return, use the white address label attached to the envelope. If the envelope or label is missing, send the return to: Arizona Department of Revenue, PO Box 52016, Phoenix AZ 85072-2016.

Make sure you put enough postage on the envelope.

The U.S. Post Office must postmark your return or extension request by midnight April 17. A postage meter postmark will not qualify as a timely postmark. *Only a postmark from the U.S. Post Office will qualify.* You may also use certain private delivery services designated by the IRS to meet the “timely mailing as timely filed” rule.

How Long To Keep Your Return

Keep your records as long as they are important for any

Arizona tax law. Keep all records that support your income and deductions for a tax year until the period of limitations expires for the return for that tax year. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you under report the income shown on that return by more than 25 percent. The department can bring an action at any time if a return is false or fraudulent, or you do not file a return.

Keep records that establish the basis of property for a period longer than four years. Also keep net operating loss records back to the date you incurred the loss. To find out more about what records you should keep, get federal Publication 552.

When To Expect Your Refund

Expect your refund in the mail within 8 weeks of the date you filed. If you have not received your refund by that time, contact one of the help numbers listed on the back cover.
